Conference Objectives

Participants of the 2009 BOC Athletic Trainer Regulatory Conference will:

- Explore the future of healthcare regulation from a variety of perspectives
- Obtain updates from the BOC, the NATA, the NATA Governmental Affairs Committee, the NATA Education Council and the CAATE on how each is contributing to the regulatory process and public protection
- Network with participants to share experiences
- Learn how the *BOC Role Delineation Study* can be used as evidence to support an effective regulatory process
- Understand legislative expectations for Athletic Trainer regulatory boards
- Discover techniques to create leadership in your organization

Notes

Friday, July 10th

Opening Remarks

1:00pm – 1:10pm

Brad Sherman

Salons ABC

Keynote Speaker: “Welcome to Permanent Whitewater: The New Normal”

1:10pm – 1:40pm

Moderator: Brad Sherman

Salons ABC

Speaker: Les Wallace

Les Wallace has a PhD in Communication and Organizational Behavior from the University of Oregon (UO). He founded Signature Resources in 1982 and has grown the company to three domestic and three international offices. During his career, he has served as university professor and administrator at the UO and Colorado State University as well as a hospital administrator at a large urban teaching hospital.

Healthcare delivery and reimbursement will transform over the next decade unlike any in recent memory. The impacts of technology, aging, government oversight, payment systems and a shifting inclusiveness of regulation look very different from previous decades. *Welcome to the New Normal.*

Perspectives on the Future of Healthcare Regulation

1:40pm – 3:20pm

Moderators: Brad Sherman and Les Wallace

Salons ABC

*Panelists: Pete Koehneke, Mark Lane, Paul Grace,
Denise Fandel, David Montgomery*

This session will highlight current regulatory systems. It will then identify what a potential future might look like in which regulation is carried out in an effective and collaborative manner. Finally, the session will identify some thoughts on what regulators can do in order to achieve this new future.

Break – Networking Opportunity

3:20pm – 3:30pm

Ballroom Lobby

Facilitated Session – Future of Healthcare Regulation

3:30pm – 5:00pm

Facilitator: Les Wallace

Salons ABC

*Panelists: Pete Koehneke, Mark Lane, Paul Grace,
Denise Fandel, David Montgomery*

This open discussion session is designed to hear diverse perspectives on the future of certified health professionals in a different era of regulation, reimbursement and more universal coverage.

Welcome Reception

5:00pm – 7:00pm

Regency Ballroom

Saturday, July 11th

Round Table Discussions – Continental Breakfast

8:00am – 9:45am

Moderator: Greg Rose

Regency Ballroom

Topics will not be determined until Friday evening and will be based on your feedback. A large Post-it® will be available on an easel outside of the meeting room for all participants to share their thoughts and needs for Round Table topics.

Update Session

9:45am – 11:30am

Moderator: Kurt McClurg

Salons ABC

Panelists: Judy Pulice, NATA; Eric McDonnell, NATA Governmental Affairs; Sara Brown, NATA Education Council; Patsy House, CAATE; Bernadette Olson, BOC; Nina Walker, BOC Role Delineation Committee

The NATA, the CAATE and the BOC will provide updates of what each is doing to promote and assist state associations and agencies with regulation.

BOC Awards Luncheon

12:00pm – 1:00pm

Regency Ballroom

Rules, Regs and the RD...Priceless

1:00pm – 1:30pm

Moderator: Ron Walker

Salons ABC

Speaker: Ann Berry

This session will discuss the use of the *Role Delineation Study* in drafting rules and regulations for the state of Michigan's Athletic Training Board. In addition, Ms. Berry will highlight the BOC services that were essential in assisting the Michigan Department of Community Health in drafting the rules.

BOC Role Delineation Workshop

1:30pm – 2:45pm

Moderator: Ron Walker

Salons ABC

Speakers: Nina Walker and Jan Lauer

This workshop is designed to give insight in to the creation and utilization of the *Role Delineation Study*. The interactive workshop will allow attendees to understand in detail how domains, tasks and knowledge and skill sets are created and how to use this information in writing legislation at their respective level. It will also allow attendees to interact with committee members and expert panelists for the sixth edition of the *Role Delineation Study* who will discuss how this document was designed to evolve with our ever changing profession.

Saturday, July 11th (continued)

Legislative Expectations for Athletic Trainer Regulatory Boards

2:45pm – 3:15pm

*Moderator: Valerie Herzog
Speaker: Keith Gardner*

Salons ABC

This presentation will speak from the legislative perspective on licensure and regulation and the interaction of the Legislative Branch with the Executive Branch (state licensure board). It will provide insight on what legislators look for when considering scope of practice issues or changes and how to better interact with elected members.

Break – Networking Opportunity

3:15pm – 3:30pm

Ballroom Lobby

A Legacy of 21st Century Leadership

3:30pm – 4:30pm

*Moderator: Brad Sherman
Speaker: Les Wallace*

Salons ABC

The 21st century is teaching us to be careful with the concept of “impossible.” While all centuries are different, the 21st appears to signal accelerated change, greater chaos and much different demands on leadership. The risk we face is applying old solutions to new problems. Dr. Wallace will highlight how we need to think differently about leadership in this era and offer perspectives for both personal and organizational leadership as we confront a profoundly different century.

Conference Summary and Looking Forward to 2011

4:30pm – 5:00pm

*Moderators: Athletic Trainer Regulatory Conference
Advisory Panel*

Salons ABC

The panel will summarize the conference and lead a discussion and brainstorming session regarding the future of Athletic Trainer regulation and the 2011 BOC Athletic Trainer Regulatory Conference.
