**Insights from the BOC:
Maintaining Certification/Competence**

Maintaining Certification/Competence

IS

- Recognition that health care knowledge is changing rapidly
- An effort to provide a wider range of options and activities that promote maintaining competence as a clinician

IS NOT

- A move away from CE
 - Traditional
 - Upskilling
- A move to recertification by exam

4

Guidelines and considerations for Athletic Trainer regulatory language

CARE CONFERENCE 2019

6

Insights from the BOC:
Specialty Certification

Specialty Certifications: *The Next Credential*

- External validation of advanced knowledge and skill in an area of focus
- Exam-based
- Eligibility for exam:
 - Accredited residency program completion
 - Education and training pathway
- Three potential specialty certifications by 2030:
 - Orthopedics
 - Pediatrics
 - Rehabilitation
- "I am Board Certified in _____!"
