

Board of Directors – Physician Director

Requirements

Candidates for the Physician Director position must:

- Be a licensed Medical Doctor (MD) or Doctor of Osteopathic Medicine (DO) and have been licensed for at least five years prior to appointment;
- Hold a National Provider Identifier (NPI) number;
- Be recognized in good standing by the governmental authority responsible for licensure;
- Demonstrate an interest in health and safety and a willingness to serve as a physician advocate for consumers of athletic training services;
- Demonstrate experience with or an understanding of professional oversight, governance, or regulatory organizations; and
- Not hold any elected or appointed office on a state, provincial, or national regulatory board, or serve on the CAATE Commission, NATA, Inc. Board of Directors, NATA Foundation, Inc. Board of Directors, or another board that presents a conflict with BOC.

Experience related to sports medicine, health care regulation, including, but not limited to, Centers for Medicare & Medicaid Services (CMS) recognition, and/or service on professional oversight boards, is highly desirable.
